[Murdering sociopaths of zeitgeist](#)

Sorry, the Wayback Machine does not have this video archived.

As many of you in America know This Jared character has become famous for slaughtering innocent people and trying to kill ‘the man’ due to his psychotic ideas that he can murder things he disagreed with out of existence.

What most of you wont be aware of was he was a member of the zeitgeist movement and posted there, that movement has been associated forever with a negative and devastatingly ugly news item.

Merola must be dieing about this.

1. First let me say what happened was absolutely horrible...however..I've seen the Zeitgeist movies and none of them have made me want to harm anyone. I've been working on reading The Confessions Of An Economic Hitman and I've been watching Loose Change...None of these have made me want to hurt anyone. The most that has happened is slight paranoia and the need to live off Mother Earth

- Doesnt change the fact this news item and his friends testimony on it state zeitgeist is a negative influence on people who are easily corrupted by conspiracy theories and paranoid delusions. Lots of the membership of zeitgeist fall into this category.
