Zeitgeist is a mind heist – venus project is a scam ?

Just another WordPress.com weblog

Where is waldo ? I mean Peter Joseph Merola

Sorry, the Wayback Machine does not have this video archived.

WHERE IS PETER JOSEPH..who is running the cult now? They are fighting over money, they need a new donation scheme and leader to run it.

1. Looks like he is back and wanting to remove his forum..

I suppose that is one way to silence everyone that disagrees with you..

- They always have that community section of their website to use, but all my exhibit collecting would have been a waste of time. Man...

- I'm waiting for the shit to go away too, it was always an eye sore, Peter Joseph Merola needs to quit stalling.

- o Yeah they don't appear to know a lot but then it seems they know enough to laugh at Peter, Jacque and the movement.

After all it is two guys being jerks and taking the piss out of TZM, so the outcome they wanted is probably achieved.

- o Well yeah they don't appear to be straight A students or academic scholars, but irrespective of that they do have a point., and it's funny. Merola and Fresco had a big fight about money and it was hilarious, so funny in fact even the 'dum azz rednecks' you decided to call them could see how dumb it was.
