Just another WordPress.com weblog

[wikipedia calls TZM & TVP cults](#)

This is a new article to cover ground already covered by the TVP and TZM cults assorted wikipedia pages. Its flagrantly an attempt to promote themselves at the expense of wikipedia article space.

Further more the contents of this article are simply taken from a speech by Peter Joseph Merola, and are not encyclopedic nor noteworthy. [discussing TVP's/TZM's previous attempts to promote themselves on wikipedia]

http://en.wikipedia.org/wiki/Resource-based_economy

It seems that wikipedia has finally cottoned on to the shameless self promoting tactics of TZM and TVP in regards to resource based economics and their claims to be the originators of

1. It looks like you, Grits and CONSPI are being accused spreading disinformation again:

Too funny.

- o Croatdude [probable aka John Bale and various other fake accounts he made [psycho] from ZM FB] said: I don't like the article on Wikipedia about the "RBE" because it is written that TZM and TVP are "cults" and PJ's last name is shown. I suspect that it is the work of Anticultist, someone from CS or even that sicko Plautus Satire... Anyways I really don't know what should we do in this situation, ignore or do something?

p.s. It's sad that there are people out there that have nothing better to do than to spread lies and disinformation. Sad...

My two cents..

hahaha that guys paranoid !

Does he think that these are the only people who consider them a cult ?

Sheesh theres hundreds if not thousands of people who think this, he could of chosen any name at random and would of been closer to the truth.

Still let me clear it up here, it was not me. I just noticed it from a post on con sci.

- Yeah, I read it that thread – it wasn't you alright.

"Does he think that these are the only people who consider them a cult?"

They have no clue.

3. that was me.

what, you guys didn't run over back and change it back? what kind of team mates are ya?
lol

4. they don't dare speak my name.

I'm even hotter than anti cultist right now.

btw...

brenton got banned today...

<http://www.facebook.com/?ref=home#!/brentoneccles>

its the right moment to break him free from the cults influence.

)

[prometheuspan](#) said this on [May 7, 2010 at 8:13 am](#) | [Reply](#)

- o great news :)

Reason banned:

Repeated ad hominem attacks, threatening to “expose private information” in an attempt to intimidate moderators from banning him, publicly stating plans to leave to movement, general trolling activity in coordination with third party web sites

dont bother him pan, hes not interested right now.

Leave him cool off and do his own thing.

[anticultist](#) said this on [May 7, 2010 at 11:06 am](#) | [Reply](#)

- I so want to know what the private information is. But yeah, lets give him another break. I can relate a great deal with him. I’m starting to see it now.

[BranManFloMore](#) said this on [May 7, 2010 at 4:46 pm](#)

5. Prometheuspan says on facebook: “The venus project is an evil cult, thats all it is.”

i like the “evil” part he says. Lol you could have just said “they are the evil cult trying to take over ze world!”

Anyway whatever you guys do, from making blogs against TZM to trolling on TZM forum to writing fake information on wikipedia, it doesn’t mean a damn thing, can’t you understand, you can’t stop us, we are growing fastly and are recognized all around the world. So just pick your part of TZM and TVP that you don’t like, “debunk” the shit out of it, but know that you aren’t doing anything at all. Actually you’re just spreading the word for the Movement.

Just my two cents.

Peace

p.s. Who the heck is John Bale?

Croatdude said this on [May 7, 2010 at 4:44 pm](#) | [Reply](#)

- o yep were doing all the picking stuff apart and we will continue.

Its hardly spreading the word of zeitgeist if you consider the people who read this and post here are getting the view that zeitgeist is a piece of turd and not worth bothering with.

Jon Bale hes one of your movements psychopathic zealot members, if you aren't him you have nothing to worry about.

anticultist said this on [May 7, 2010 at 5:44 pm](#) | [Reply](#)

- o PS

Just checked your IP and it matches perfectly with John Bales, so youre from the same area as him funnily enough, makes sense when you look at your little trolly ways as well.

By the way hows the private messages to prometheus and the beyond zeitgeist crew going Ivan ?

john bale/Steve O'connor/emillie stimpson/Jerremy Shane/**Ivan Grozni**/Paul anticultist Jones [yes a fake paul jones account too ! what a complete sick individual] all the facebook accounts I know of made and posted with in the zeitgeist movement facebook forum. Check this characters posts out over there hes a total lunatic, we even have death threats saved he sent to people.

- I just noticed this thread:

http://thezeitgeistmovement.com/joomla/index.php?option=com_kunena&Itemid=99999&func=view&catid=5&id=253355

I guess some TZM folks want to reach out to Hugo Chavez on Twitter. But guess who controls the main TWITTER account for TZM? You guessed it – BrentonEccles.

Oh man...

Now what would they do?:

[BranManFloMore](#) said this on [May 8, 2010 at 6:56 am](#) | [Reply](#)

- I hope that ZM does get in touch and affiliate with him, because hes becoming a dictator in his own country and it will add even more credence to the fact TZM have no clue what they're doing.

And before any dickhead suggests I watch the revolution will not be televised, Ive seen it, and that was made years ago the above is more recent.

7. lol. I love it when the best that they can come up with is third rate ad hominem. You want to talk about my appearance? what? on youtube? for test videos i did before i decided it was too early to use that medium? lol

I love this crap. As Shakespeare once said, “Me thinks the lady doth protest too much.”

Nothing like a third rate ad hominem from a coked up parrot to demonstrate to more objective observers who the moron is and just how little ammo there is to find against me.

“Funny membership they have for a peaceful world changing movement.”

lol.

They are adept at being (embodying) the problem they want to change instead of the change they wish to see.
